METHODOLOGY & FRAMEWORK

ENGAGEMENT PRACTICES

Fixed Cost Model

If your company or you has a fixed set of software development requirements or ideas for creating new solutions or service, then the fixed cost model will be the best suited for you.

Hourly Model

If you or your company has software development requirements that would demand adopting changes and flexibility, then the hourly model is best suited for you.

T & M Model

You can hire our dedicated resources as well. They will only be working on your project. A daily timesheet of your work will also be submitted to you. Even though you hire dedicated resource.

Partner With Us

You can also partner with us for your growth, diversification on a mutual benefit basis. We will give you qualified and experienced professionals with sound domain knowledge.

MANAGE SERVICE DEVELOPMENT

Contract

If your company or you has a fixed set of software development requirements or ideas for creating new solutions or service, then the fixed cost model will be the best suited for you.

1
